FROM THE PRINCIPAL

Dear Parents

Thank you to the parents, friends and family members who attended our 2014 Presentation Awards Night. It was marvellous to publicly recognise individual students’ learning and achievements. The students and staff appreciate your ongoing support and encouragement. Congratulations to the students who received prizes. It was a great opportunity to recognise your successes. Equally, congratulations to the students who may not have received a prize last night but have achieved personal growth and maturity in their educational learning journey this year.

Special congratulations to our new 2015 School Leaders:

Well done to Year Six on the Friday’s Talent Quest. There were certainly some entertaining acts. Congratulations to the students who received special commendations. Thank you for the applause and encouragement from the large audience of students, staff, parents, family, friend and one small furry creature with antlers.

Thank you to the P&C for a delicious sausage sizzle at lunch last Friday. All students will receive a FREE zooper dooper at lunchtime tomorrow (Wednesday) from the P&C.

Finally, Santa sends his best wishes and commented that our students were very polite last Friday afternoon and quite obviously NICE!

Karen Kissell - Principal

K/1 News
The students have been surprising themselves as they reflect on the academic achievements throughout 2014.

One popular Maths game, “The Number is Right”, is a good example which demonstrates the students’ developing knowledge of Maths concepts and application of logical thinking.

Please take time to have a look at our Christmas tree in the classroom. All decorations have been made by the students.

Congratulations to all students on your academic and social development throughout the year. Thank you to all families for supporting your children in their educational endeavours.

Enjoy the holidays and I look forward to seeing you all in 2015.

Mrs McDonald, Class Teacher.
