FROM THE PRINCIPAL

Good luck to Angas McFarland who is competing in the Riverina Team at the State PSSA Cricket carnival in Wyong Shire. Our report is that they had a loss yesterday against last year’s winners. He was the opening batsman staying in for 7 overs and making 3 which was actually the 3rd top score. Angas also had just taken a catch at time of publishing the newsletter. The carnival runs from 3 – 6th March. A great achievement and experience for Angas. Congratulations.

Bailey Minogue and Tom Forrest have qualified to represent Albury Zone at the Regional Swimming Trials – in Albury on Monday 10th March – congratulations and good luck boys.

Josh Sharp and Bailey Minogue had a great day when they represented our school at the tennis trials in Albury last Friday. Josh addressed the assembly on Monday, with an explicit account on how the day was run. The boys enjoyed the day with high standard matches. Another great experience for our students.

Young Leaders Day – Nyokia and Bailey had a great day last Monday when they represented the school at the Young Leaders Conference in Melbourne. They both felt they would go again if given the opportunity. Thank you to Mrs Minogue for transport the students.

Clean up Australia Day was held last Friday. Thank you to Mrs Read for coordinating this activity. River Street and the parks were cleaned up by the primary students and the infant classes did a great job around the school.

Library Term 1 2014
Mrs Regan has returned from her overseas travel and will be coordinating the library activities for the rest of 2014.

Library Lesson / Borrowing Days
From this week on, Library Days will be as follows:
Tuesday Years 3/4 and 5/6
Wednesday Years 1/2 and K/1

Borrowing Program
The library borrowing program is part of the schools’ wider reading program and it gives the students the opportunity to read each week something of their own interest and choosing. We encourage students to borrow and read or read with or to someone (sharer) their library books at home each week. In Term 1 we will be focusing on exploring the fiction (storybook) section of the library.

Open Library
This term the library will be open each day at lunch time. This will enable students access to the library computers, time to browse and read the library books, draw and/or colour complete art competitions and try the board and card games available in the library. From time to time there will be organised lunch time special activities in the library. We look forward to making the best use we can of our wonderful library resources in 2014.

Rotary Dinner Meeting in the school library from 6.00pm on Thursday 6th March. Many thanks to the P & C members who are catering and our Year 5/6 students who will be serving the meal. This activity has been coordinated by Mrs Forrest. Please contact Mrs Forrest on 0438 335031 if you are able to assist. 8.15-8.45pm for dishes and pack up of tables & chairs will be greatly appreciated.
Late number r

Enquiries:

The 10 million girls around the world have fun at Girl Guides. Why don’t you?
