NAPLAN INFORMATION FOR PARENTS
From the 13 – 15 May, students in Years 3 & 5 will complete the National Assessment Program – Literacy and Numeracy (NAPLAN). NAPLAN will assess the literacy and numeracy skills of students across Australian schools. The results of the tests will provide important information to schools about what each student can do, and will be used to support teaching and learning programs. Parents will receive a report indicating their child’s level of achievement, which will be reported against the national minimum standard. All information collected is treated confidentially and held securely to ensure that every student’s right to privacy is maintained. Parent enquiries are welcome.
