FROM THE PRINCIPAL

Dear Parents

What a fantastic day last Thursday was for students who attended our Athletics Trials. It was great to see everyone trying their very best and encouraging one another. A big thank you to parents and Corowa High School students for your valuable assistance – it made our day run smoothly. Thank you also to Carmel and Little Athletics for setting up equipment. Last but not least a huge thank you to Mrs Mathews who worked tirelessly to ensure the day was well organised, results were collated and notes for the Zone Athletics Carnival handed out promptly. We wish all the students who made it to the next level (Albury Zone – Monday 19th May) all the best.

Warm regards, Tracey Southam

Good luck to Bailey Minogue who will travel to Sydney for the AFL State Championships – judging by how much the football gets kicked at recess and lunch we know Bailey will do his utmost to represent the Riverina Zone with pride and to do his best next week.

Art Room News
During term one, students had the opportunity to enter the Chambers Rosewood Winery competition “The Best Book I’ve Read”. Congratulations to all students who entered and to Lara Ovenden who was awarded second place and won a lovely artists set.
Lara’s entry is on display in the school foyer.
Year 5/6 will have their term one project ‘recycle art coral’ on display in the foyer from Thursday.

Scripture teachers needed – One full time teacher is needed until the end of the year and another short term - June, July and August. If you know of any suitable people who would be available on Wednesday mornings between 10.30 – 11.00am, please ask them to contact the school.

Too sick for school?
As the cold weather hits, so do the winter bugs. It’s often hard to know whether to send your child to school or let them stay home to recover, especially when that means an adult cancelling work. For safety’s sake, if your child seems unwell you should always keep them home from school and seek medical advice.

Stewart House Donation Drive Envelopes 2014 – final deadline
WIN A $4000 HOLIDAY TO THE DESTINATION OF YOUR CHOICE.
Please return envelopes with your details on the back, to the school with your $2 donation tomorrow, Wednesday 14th May (final extension) to go into the draw.

Mental maths strategies
We teach children a range of different strategies to add and subtract numbers. By showing them several methods for solving maths questions, we’re helping them to look for patterns. All this builds a good sense of “number” which means they understand the relationships between different numbers and why different ways to add and subtract work well. The goal is that your child will understand many ways to approach a maths problem and will be able to choose a way that makes the most sense to them.
