FROM THE PRINCIPAL

Dear Parents,

We have had a term full of rich experiences! From the Athletics Trials, various students representing our school in sport, AFL clinics run by Greg Forrest and Jack Bradley, Creative Catchment Kids, Multicultural Public Speaking, Walk Safely to School Day, seeing the illustrator Craig Smith, going to Boat Rock and Savernake, Grip Leadership, “Rock and Water” for senior boys to the Paul Kelly Cup. Staff at Corowa South have worked diligently to ensure the education we provide meets the needs of our student body. Thank you teachers for your dedication!

I will see you next term for the first two weeks. Mrs Kissell will return in Week 3.

Have a safe and restful holiday, enjoy the time at home with your children!

Warm regards, Tracey Southam.

“Look after our environment”

**Yr 3/4 News**

We have had a very busy and challenging term, learning about eco-systems in different Australian environments. We also concentrated on the Australian states, animals, flora and weather. Now that it is almost holiday time again, we wish everyone a safe and happy holiday.

Lorna Read and Yr 3/4 kids.
Saved at the 11th hour! A huge thank you to Mr Peter Craft and Corowa High School who had a half full bus of Year 12 students going to Albury last Friday. This allowed us to get students to Albury for the Paul Kelly Cup via bus and car for minimal cost. Thank you parents who drove. I know it caused more than a few grey hairs and your understanding with the travel arrangements was greatly appreciated.

Congratulations to all of the students who represented our school at the Paul Kelly Cup last Friday. Although our teams missed out on the finals, everyone played enthusiastically, demonstrated excellent sportsmanship. A huge thank you to all the parents who came along and assisted with transport, coaching and supporting our students. Miss J Ferguson.

Yr 5/6 News
Students have been studying Communication this term. They made semaphore flags and practised signalling the alphabet. They were put to the test by signalling questions to one another. Although not 100% accurate we had a few good laughs about what we were trying to communicate!
