Dear Parents,

Congratulations to our students on the amazing art launch for “Our Environment”. The artwork was outstanding! Thank you to our grandparents, parents, families and friends who visited our impromptu gallery to celebrate the very special launch of “Our Environment” visualised and created by the very talented students of Corowa South School.

It was fantastic for everyone to have the opportunity to add a few strokes to the current 5 /6 mural with a jungle/bush theme for the northern exterior wall of the art room. Mrs McEachern was very happy to involve as many people as possible in its creation. I hope you enjoyed the chance to be part of our provenance on display around the school.

All of the students and staff appreciated the effort by grandparents, parents and friends to join us in the celebration of our art launch and recognition of the important role our grandparents play in the lives and education of our children.

Karen Kissell, Principal

Thank you to Desi Douch, Sally Batten and Lachlan Julian for the help with the BBQ.

Thank you to Leia Brand for the donation of water melons which the students enjoyed on the day and throughout the week.

Student Recount – Grandparents/Art opening.....
Two stars and a wish
Isabella- Nanna’s only acrostic poem
Nice
Awesome
Never wears make up,
Noisy
Always helpful.

Casey- On Wednesday 28th it was Grandparents day. Wednesday was really fun because there was a free sausage sizzle BBQ. The zooper doper were good too but the most interesting thing was the Art Launch. I wish the tennis was two teams against each other.

Ella W- I liked when we did some tennis. I liked the bit when one person hit the ball with the racquet and the other caught the ball and threw it back. I liked eating the zooper doopers with my nan. I had two and my nan had one. We also had a sausage each. I had one and nan had two. We were very hungry. I wish we got more time to be with our Grandparents on Grandparents day.

Daniel- On the Art Launch day we painted a mural. We got to play tennis and that was my favourite. I wish I learnt more about tennis and about serving and winning.
Tennis,
Energetic
Nice sport
Nets
Intelligent
Sport.

Matt C- Two days ago our school had an Art Launch. What I liked was SRC zooper doopers. I also liked the art launch, Our Environment. I wish we could do the mural painting. Also, I wish we could have more time in tennis. I also wish we could get awards from the assembly.

Bree- On Wednesday we had a sausage sizzle. It was yum. We had zooper doopers. They were yum too, and Grandparents day. I wish we got more time to be with our grandparents on Grandparents day.

Josh- On Wednesday we had Art launch my nan came. But Pop did not come and my dad did not come either. We had a free sausage sizzle and a zooper doper. I got three zooper doopers. They were sold for 50c. We recited a rap and and it was by an unknown author.

Shinaye- I really liked Wednesday, but there’s 2 things I liked most.
1. All of the Grandparents.
2. This is really funny. I liked tennis because of our teacher’s name. Oh well, not his name, he called himself the...“Secret Agent, Hairy Legs” . But... I don’t really think he is a secret agent, but he’s right about his legs being hairy. Then again, the thing I wish for is to have more time with tennis and Grandparents.

Year 5/6 News
Year 5/6 are off to Borambola Camp, Wagga tomorrow. We hope to tell you tales of physical challenges and excitement about the camp next week. Homework is be on time for the coach at 8.00am on Wednesday. Bring suitable clothes, swimmers and toiletries. Most of all, HAVE FUN!
Mrs Kissell, Class Teacher

Reading Awards
Congratulations to the following students who have reached the following Home Reading milestones:
75 Nights: Shaylyn Kilsby
150 Nights: Amelia Harris
175 Nights: Charlotte Colman, Matthew Colman
200 Nights: Tamzin Forge, Isabell Brand

A book will be placed in the library in recognition of Tamzin’s and Isabell’s achievement.

Nadia- My first star is that we spent the day outside painting and my second star is that we saw Mrs Fredericks. My wish is I could talk to Mrs Fredericks more. At lunch we had a sausage sizzle and the SRC were selling zooper doopers for 50c each. Just after lunch my class had tennis. The guy that was teaching us was called “Secret Agent Hairy Legs”. He was rather funny too. After tennis it was Assembly time. 5/6 and some 4s were sitting on chairs while the others were sitting on mats. All of this was on Grandparents Day. It was a busy day for the students and teachers. While all of that was going on, Year 5/6 and some parents were painting a new mural that is going to go on the northern side of the art room because the wall next to our classroom is very bright so we are going to put a mural on the side. The mural is jungle based. We also had a big Art Launch. We all got to take our art work home if our parents were here.
**K/1 News**
We thoroughly enjoyed having Grandparents and special guests visit our class last Wednesday. The students read to their Grandparents and special guests, shared their learning and completed a collaborative activity to show their relationship with their special guest.
As part of our unit on Celebrations we researched the meaning of Halloween and completed some worksheets in Maths. We also created paper pumpkins to recognise one of the symbols of Halloween.
We are now busily preparing for the school concert in Week 7.
Have a terrific week.
Mrs Taylor and K/1

**Year 2/3/4 News**
More tennis lessons this week. “Mr Secret Agent Hairy Legs” suggests a series of quick drills for students to do at home. They are designed to assist students’ racquet skills and wrist strength. Students will complete their group mini-projects on their chosen planet this week.
Homework will be an English sheet, a Maths sheet and home reading.
Mrs McDonald, Class Teacher

**Tennis Coaching – Sporting Schools Program**
All students will be involved in a 3 week tennis coaching program, conducted by Mick Young, Corowa Tennis Club Professional at the school.
Sessions will be held on Wednesdays and will continue until 11th November.
Students need to ensure they wear their school hat, sports shoes and have a water bottle.

P & C End of Year Raffle
Everyone should have received their raffle book for our end of year raffle. We have some fantastic prizes up for grabs again this year and are very thankful to the local businesses that have donated these prizes. We will be selling tickets in the main street at different times throughout the term and would like to make this as often as possible. If you are able to help out and sit in the street, even for just an hour at any time that suits you, please let us know and we can organise this. We would only need to know the day before to make sure the space is available and to get the raffle books and float to you. We would like all raffle books returned to the school by Tuesday 1st December. We need all books back sold or unsold to enable us to draw the raffle. There are more books available at the office if you would like more. We appreciate you help in raising funds for our school. If you have any questions, you can call Sally Batten on 0419 832 120.
