Starting school is an exciting and fun time for you, your child and your whole family. Corowa South Public School prides itself on providing the transition program, Step Up To Kinder, to nurture your child's experience at 'big school' in a caring and stimulating environment. We recognise that your child is an individual with their own unique learning experiences and personalities to share and build upon. Together, as a team, we want to share that learning journey with you and equip your child for a happy and successful transition to school.

Step Up To Kinder
Buddy Program 2016

Your child will be buddied with a senior student who will support your child during transition. Buddies will provide friendship, assistance and encouragement to ensure your child fully enjoys their Step Up To Kinder experience.

STEP UPTO KINDER 2016

A Kindergarten Transition Program
STEP UP TO KINDER 2016

We invite your child into the Kindergarten class each Tuesday over an eight week period. Your child will be involved in creative and imaginative learning activities, establish new friendships, become familiar with their teacher and learn about what it will be like at school next year. It is also a valuable time for your child’s teacher to get to know them before day one next year. This is a wonderful opportunity to start our partnership in your child’s learning journey at our school.
